

# CONNECTING YOU TO YOUR NEXT CLIENT

THE ELECTRICAL INDUSTRY'S  
ONLY PRELOADED CRM SYSTEM

Search for new connections by zip code, city/state, name, address, phone number, industry code and website

Contact new companies by directly emailing from ElectriConnect.com or call with the provided phone number

Create various projects and easily assign contacts in the basic CRM system. Track discussions and add notes to a contact

ElectriConnect offers a new outlet for building connections, business and relationships. Within ElectriConnect, there are over 20,000 distributor locations, 1900 lighting design and engineering firms and over 1300 rep firm contacts. ElectriConnect is the only CRM system, with a fully curated database exclusive to the electrical industry. A must-have tool for every sales manager who wants to expand their customer reach.

## Try it for FREE! Use code: 2018-24hr

Use of code 2018-24hr is valid for only 24 hours. To continue use of service submit an acceptable form of payment on ElectriConnect.com under "Manage Subscription". Other code jargon to avoid complaints and bad press blah blah blah
